

UK Niles Gallery Shape-Note Singings and Recommended Campus Parking 2004-05

Note: The two parking lots indicated here with asterisks are "E" lots, which are normally open to visitors on Saturdays and Sundays. The entrance points are shown by arrows. The Niles Gallery is located just inside the Lucille Little Fine Arts Library, also marked by an arrow. From the parking lots, visitors will walk up an inclined drive and a few steps from Patterson Dr. to the FA Library.

Beware of special-events or restricted-use parking areas, such as the Newman Center or behind the Singletary Center, which may be under regulation at any/all times without exception.
